Miners top the April INK Edge Top 40

04/29/2015 Ted Dixon, Canadian Insider

Late last night we posted our April INK Edge Top 40 stocks on the INK Research website for subscribers. Saskatchewan focused Foran Mining Corporation (FOM) took the top spot. Miners in general have had a strong showing this month: Claude Resources Inc. (CRJ) and Dominion Diamond Corporation (DDC) helped to account, with Foran and other miners, for five out of the top ten spots, and, all told, Basic Materials (25%) edged out Financials (22.5%) to maintain its lead in the Top 40's sector allocation. - See more at: <https://www.canadianinsider.com/node/220#sthash.yErIiEIp.dpuf>
