

F O R A N

Foran Mining Corporation (FOM-TSX.V), a modern mining company that wants to change what mining means to people, is seeking a **Logistics Coordinator** to join their expanding McIlvenna Bay project team. **This is a full-time remote position that will transition to site based at the McIlvenna Bay project site.**

The McIlvenna Bay Cu-Zn-Au-Ag deposit is one of the largest undeveloped VHMS deposits in Canada. Foran recently completed (2022) a feasibility study for the deposit and is undertaking advanced exploration and detailed Engineering activities this year. The McIlvenna Bay deposit's core commodities are critical for the global transition to green energy and Foran aims to extract these critical minerals in a sustainable manner by empowering local communities, contributing to circular economies and protecting the environment for future generations.

Foran is committed to building a skilled and diverse workforce as we move into our next phase of growth. Indigenous applicants are encouraged to self-declare when submitting applications and resumes. All qualified candidates are encouraged to apply; however, you must be legally able to work in Canada.

Logistics Coordinator – Posting 2023-07

Foran Mining has recently completed a positive feasibility study for the McIlvenna Bay project and have started construction activities to build underground mining and milling facilities as well as the supporting infrastructure. **A Logistics Coordinator will be a part of the Supply Chain Team and will be responsible for providing procurement support to the team, the coordination of all logistics for the project and the tracking/reporting of shipments in transit.**

Job Responsibilities:

- responsible for maintaining record of all outstanding purchase orders with external vendors including (but not limited to) communication with port and logistics authorities
- act as main contact and oversee shipments arriving to site and communicate with the Team's Material Management representative on project site
- Assist with monitoring and reviewing purchasing budgets, cost/budget analysis and highlight cost changes to applicable management
- Develop and implement new purchasing strategies to deliver ongoing cost reductions and process simplification
- communicate and negotiate with manufacturers, suppliers and vendors
- track final product shipments, costs, and timelines according to requirements
- arrangements for transportation and forwarding services for all orders to ensure material is delivered as per schedule
- manage and coordinate all overseas shipments
- expedite all critical orders with local sub-contract vendors
- Proactively follow up with project management to confirm purchasing requirements ensuring timely purchase of goods to meet site demands
- Integrate with Logistics Service provider
- Participate in Forecast meetings to anticipate upcoming demand in supplies and/or services and ensure best purchasing options
- Provide weekly reports on ETA's and shipments to project teams weekly
- Support with procurement project

Job Qualifications and Skills:

- Post-secondary diploma in Supply Chain Management and/or equivalent education in Materials Management, Procurement or Business
- 2+ years experience as a logistics coordinator in the mining industry or relevant experience in a related field may be considered
- Familiar with SAP by Design
- Ability to read, write and speak Mandarin considered an asset
- Experience with global shipments and understanding of global logistics (especially in China) considered an asset
- Familiar with standard procurement concepts, best practices and techniques
- Excellent verbal/written communication, organizational and time management skills, critical thinking and negotiating/bargaining skills
- Excellent attention to detail with a high degree of accuracy and the ability to recognize discrepancies
- ability to work with minimal supervision in a high-volume environment
- Knowledge of safety standards, regulations, laws and policies regarding logistics

Deadline for applications to be submitted is: **March 20, 2023**

A competitive compensation package is available for the successful candidate. Interested applicants can email their CV and cover letter to careers@foranmining.com
